YOUR MONTHLY GUIDE TO ALL THINGS KIDSCARE

## In this edition...

Congrats to the **Texas** Employees of the Quarter  
Say Hello to our New Hires!

## KIDSCARE KUDOS

We love **Emma!** Such a sweet and kind soul! My son loves when he sees her. He always has a smile on his face. She goes above and beyond for my family.

*occupational therapy, Dallas*

My son has been doing very well with **Justice**. He connects with her, and cannot wait until his next meeting. Thank you **Justice**, and continue to be genuine and dedicated to your gift.

*Stacey Nepveux*

OT OF THE QUARTER

Stacey Nepveux has been a great addition to the North Houston team. When we made the switch to telemedicine, Stacey was very eager and willing to assist other therapists with informal training sessions on the platform and resources to use for telemedicine. Stacey does a great job to provide constructive feedback when necessary to help implement new programs. She has a great rapport with her families and does a great job to provide quality treatment. Thank you for all that you do!

Jordan Murphee has been an OT with KidsCare for 2 ½ years. She has carried a full-time caseload and taken on supervision. She is engaging with activities for her patients and passionate about her field. Jordan has been willing to help new hires/students and help out with other evaluations when needed. I am so lucky to have her on my team!

OT OF THE QUARTER

*Holland Kitten*

PT'S OF THE  
QUARTER

*Taylor Gonnerman*

Holland Kitten joined the KidsCare Team in November of 2016 as a new grad. She is a knowledgeable PT who is passionate about teaching and mentoring others. She took on the role of PT Team Lead for Team Karen and is always looking for ways she can contribute in order to make KidsCare better.

Taylor Gonnerman came to KidsCare from the hospital setting in May 2019 and has flourished in the home health setting. She is an exceptional PT with a passion for pediatrics and helping others and has taken on the role of PT Team Lead for Team Tonya.

Together, Holland and Taylor took the initiative to revamp our OT/PT New Grad Mentoring Program and binder in order to streamline and improve the orientation period for our new hires straight out of grad school. They are vital members of the KidsCare Family and we are lucky to have them!

*congratulations,  
texas therapists of the quarter*
