YOUR MONTHLY GUIDE TO ALL THINGS KIDSCARE

In this edition...

Congrats to the **West** Employees of the Quarter
Say Hello to our New Hires!

KIDSCARE KUDOS

My son has been doing very well with Justice. He connects with her, and cannot wait until his next meeting. Thank you **Justice**, and continue to be genuine and dedicated to your gift.

speech therapy, dallas

I couldn't have just picked one therapist, both **Gina and Haley** are very amazing and patient with my son and very understanding. He looks forward to seeing them both every day. In the little time they've worked with him I already see improvement in him. These two ladies are God sent! They have been so much help for me and I appreciate everything they do. Keep up the great work!

Laurin Tomerlin

ST OF THE QUARTER

Laurin has been a ST with KidsCare for 2 years. She is a fabulous clinician and team member with love for feeding, AAC, and treatment with complex kiddos. We can count on her to assist her fellow clinicians with feeding and AAC questions, advice, and mentorship! She is also a clinical instructor for our Feeding Competency Program! Her productivity is amazing and she frequently works 6 days a week to provide the best services for all of her kiddos. Her families and patients **love** her and I am so glad to have Laurin as a part of our team!

-TAYLOR WOOD, CM

Haylee started with KidsCare in March 2020 and took off running. She took on a full caseload quickly and kept asking for more. In the last month, she took on a COTA and trained her completely. She has a full case load and a full-time supervision of a COTA. She has complete notes and does fantastic med reviews, which has gotten her on the auto approval list for her notes. She is loved by her patients and her families. Boise KidsCare is lucky to have her on the team and congrats on being the first Boise KidsCare therapist put up for Therapist of the Quarter.

OT OF THE QUARTER

Kelly Torre

PT OF THE QUARTER

Kelly has been a PT with KidsCare for 2 years now and I am so happy to have her as a part of our team! She is willing to pick up clients in many areas of Denver and travel as needed, which really helps our kiddos get the services they need. Her 90% productivity and willingness to go above and beyond for her patients is so much appreciated! She was even willing to accommodate a 5:30am treatment time! She provides beautiful therapy to her patients/families and has a love for the little ones! Thank you so much for all that you do Kelly! We are so lucky to have you with us!

-TAYLOR WOOD, CM
