ABOUT

Our nursing department aids chronically or acutely ill children that have nursing needs by providing nurses at home!

"WE
ENABLE
KIDS
TO
COME
HOME."

did you know?

Nursing is in growth mode! Haley Logan, RN, will be transitioning into the Nursing Case Manager for East Texas this month!

Recruiting & Onboarding

Our recruiters are responsible for recruiting nurses to full cases! In order to do so, they use multiple avenues, such as LinkedIn, Facebook, and Indeed!

After this process, our HR Generalist is responsible for the onboarding process!

Operations & Scheduling

When it comes to operations, our Nursing Operations Coordinator is responsible for authorizations, orders, Doctor's signatures, and more! Our scheduler helps make sure that the right nurses are matched with the right cases, along with staffing them for a full caseload!

Case Management

Our Case Manager helps manage different cases, handles complaints, aids in training nurses, and also works with special cases in home!

KIDSCARE KUDOS

☺☺ Katelyn is the best therapist my son has had! She is very kid friendly and always makes sure that as a parent, I understand what we need to work on. ☺☺

ST, San Antonio

☺☺ Gabby is the BEST PERSON ON EARTH! She has been more helpful and supportive than any other person in our whole experience.

Bravo!! And my sincerest THANK YOU!! ☺☺

ST, Denver

☺☺ We have had Jacqueline in our lives for 2 years! She has been the BEST therapist my kids have seen! She has helped my kids more then I could ever describe. She is definitely part of our family! I would recommend her to every parent. ☺☺

ST, Tyler

*great job,
therapists!*

RACHELLE PITTS
HUMAN RESOURCES DIRECTOR

meet Rachelle

☺☺ I was born on Clark Air Force base in Angeles City, Philippines. My father was in the Air Force and I got to travel to many countries. I lived in Okinawa, Japan for 7 years and totally want to go back! That's my favorite part of my childhood. Now, I live and breathe for my 4 beautiful daughters, Dezeray (23), Mercedeez (19), Liz'ayah (18), and Ariyanah (16). I can't forget my grandbabies, Anabelza (5), Lilyahna (3), and Serenity (11 mos.). **YES, ALL GIRLS!** They definitely all have their own personalities. ☺☺

Why KidsCare?

☺☺ KidsCare has really inspired me because of its mission and purpose. I feel more at heart helping children and knowing we are part of their everyday lives. Regardless of what department you sit in, everyone is contributing to the same mission and goal, which is to provide quality care to our patients. ☺☺

What do you do outside of work?

☺☺ Outside of work, I enjoy spending time with my family and traveling. Something my girls and I love to do is sing. Oftentimes, we will make music videos, sing duets and just be goofy. ☺☺

Education

☺☺ Education is something that I could never get enough of. I thought I was going to get my Associates just to say I got a degree, but being the competitive person that I am, I challenged myself more. I continued on with my Bachelors and again, that wasn't enough for me so I got my MBA (Masters of Business Administration). Now, I don't know if I want to get a PhD or a Dual Masters. It's all about the credentials and challenging myself to do more. I want to be an example to my girls that anything is worth achieving, even if it's just for your satisfaction. Weird, I know! Satisfaction is expensive! ☺☺
