KIDSCARE KUDOS

💬💬 Emily has been amazing to Finley since day one!! She is always committed to helping him and has researched and collaborated to try the best approaches for feeding! She has gone out of her way to come to medical appointments in order to get first hand advice and ideas from the doctors!!

We love you Emily!! 💬💬

ST, Denver

💬💬 We love Lauren so much! She is so wonderful with our child. She is patient and kind and we feel like she truly cares about him! She is constantly trying new approaches and researching what activities our child will respond to best and he has made so much improvement because of it! We are so thankful she is in Joshua's life!💬💬

OT, Colorado Springs

💬💬 Chemetra is amazing. She is patient, knowledgeable and encouraging. I see growth in Kira every week since we have started with Kids Care.

Thank you!💬💬

GET TO KNOW

TYRUS KOZINSKI
CONTROLLER

meet Ty!

QQ I am originally from South Bend, Indiana and went to LSU. My wife, Samantha and I, have a 2 year old, daughter, Avery. QQ

What has your time with KidsCare taught you?

QQ My time with KidsCare has shown me how compassionate human beings can be toward each other. It is great to see examples day in and day out of how our clinicians impact the lives of the children they serve. Oftentimes our clinicians become members of their patients' families, which speaks volumes about the difference they make in their careers. My wife is an SLP, so I have been able to experience her compassion at home, but it is great to also see it at work QQ

Education

- Bachelors in Accounting from Louisiana State University (LSU)
- Masters in Accounting from Louisiana State University (LSU)
- Certified Public Accountant (CPA)

Interests?

QQ Outside of work, I enjoy spending time with my wife, Samantha, and our two year old daughter, Avery. We find an adventure to go on almost every weekend, and it is a blast. I also enjoy watching LSU football – Geaux Tigers! QQ

Last vacation?

QQ In February we traveled to Minneapolis, MN to visit the Mall of America. Minneapolis was very cold, but thankfully we were indoors most of the time! I can now cross "zipline across the Mall of America" off my bucket list. QQ
