KIDSCARE KUDOS

Clara has been a God send for my daughter! When we first started, she was not speaking at all, but Clara's patience and caring nature allowed my daughter to fully trust her. We can't thank her enough for what she's doing for us.

Amanda is an incredible occupational therapist. Amanda has so many different ways to show you how to work with your child. She works with our child with great patience and he responds to her every move. I appreciate everything she does for my son and we are very grateful that we have her in our lives.

our lead therapists!

about

☞☞ I have always had a love and affinity for languages. I grew up conversing in English with my peers, speaking Shanghainese Chinese at home, and learning Mandarin Chinese on the weekends. Having worked with many Spanish-speaking families, I have acquired a lot of Spanish and hope to be fluent one day! ☞☞

JOELLE FANG
LEAD SPEECH THERAPIST
DENVER, CO

What is your **education background**?

☞☞ My bachelor's degree is in biochemistry. During my senior year of college, I realized I did not know what I wanted to do with my degree. After researching health science careers, I decided I wanted to be a speech-language pathologist and applied to grad programs. Looking back, at the time, I knew very little about the field but am very grateful to have picked a profession that I love! ☞☞

Interests

- rock climbing
- biking
- reading
- creating memories
- purchasing new houseplants
- experiencing new cultures and cuisine through travel

Do you have any **pets**?

☞☞ My pets are my 40+ houseplants that require a lot of love and attention! ☞☞

GET TO KNOW *our lead therapists!*

What's your **favorite book** currently?

☺☺ I'm halfway through the Amelia Peabody series by Elizabeth Peters right now. Hands-down Jacqueline Winspear's Maisie Dobbs series has been one of my favorites. Its absolutely phenomenal! ☺☺

What's your **favorite part** of working at KidsCare?

☺☺ Being part of a team. Not just with the families and other therapists, but also with the office staff. There's a lot we all have to do to get a kid in therapy, provide the therapy, and keep the therapy going. ☺☺

Why **KidsCare**?

☺☺ I had a lot of friends from grad school work at KidsCare. When I started looking for another job I talked to them. It was so highly recommended that I didn't look anywhere else. ☺☺

Do you have any **pets**?

☺☺ We have 4 cats: Oreo, Lily, Lilith, and Sparkle; and 1 dog, Violet. Oreo (13 years) is old and grumpy, she will only tolerate my husband or me. Lilith (8 years, twin A) is the Queen Bee, if its time to eat you'll know because she's yelling across the house. Lily (8 years, twin B) is the baby (in personality). She wants to be cuddled and loved on 24-7. Sparkle (7 years) will come up to you and tap you politely to get your attention so she can have pets. Violet (6 years) thinks she's a cat, but she's also a big wimp. She likes chasing bunnies, barking at squirrels, and loves to give high fives for treats. ☺☺
