Interests

☞☞ I love to spend time with my family: going to parks, zoos, and museums. We love to explore. ☞☞

Favorites

- Green Lake, Wisconsin
- "The Hiding Place" by Corrie Ten Boom
- "A Loving Life" by Paul Miller

What is the most **surprising** thing about your job?

☞☞ It has helped me to be a more hopeful and optimistic person. I have seen kids make progress I could have never imagined at their initial evaluation. ☞☞

Pets?

☞☞ I have a Chocolate Labrador named Kramer, who is 5 years old. and a Yellow Labrador named Newman, who is 4 years old. They both completely embody the characters they were named after. ☞☞

What has your time with KidsCare **taught** you?

☞☞ My time with KidsCare has helped me to really approach each child with an open mind, and not think that I know who they are or what they need after the initial evaluation. I've been wrong....a lot. ☞☞
