WHAT'S IN THIS ISSUE?

**KIDSCARE WINS TOP  
WORKPLACES IN  
HOUSTON!**

## MORE GROWTH, MORE OPPORTUNITIES

I'm pleased to announce Jaquelin's promotion to Staffing Supervisor. This well-deserved promotion comes following her 8 years at KCHH. She has gained valuable knowledge over the years as she worked in various departments. Jaque successfully worked as an Authorization Lead where she helped implement procedural changes for efficiencies. Jaque also did a fantastic job as Training Specialist, by coordinating and communicating between departments. Through her strong work ethic and determination, Jaque continues to achieve greatness. Congrats, Jaquelin!

# WHAT MAKES US DIFFERENT?

*what do our employees think?*

What can I say, except that the Baker's are the best! I've been with KidsCare for 9 years now and although, I had left for a bit for a job closer to my home, I came back for the flexibility and company culture. KidsCare cares about their employees and allowed me the flexibility of going to school and being a full time employee!

KidsCare is the best place that I have ever worked.

Working with our patients and their families to achieve therapy goals is such a fun and rewarding career. What makes KidsCare stand out as the best are my co-workers; everybody in the office and out in the field are friendly and so personable. The strive to provide the best therapy services is a main focus for everyone and that makes it fun to work to achieve this common goal

*clinical manager*

I had worked for some other home health companies and KidsCare exceeds them all, without a doubt. KidsCare has created a team (including back office staff) that runs so smoothly and their priority is patient care. They have created an atmosphere to support the patient, their family and the clinicians.

One of the best thing's about KidsCare is the work-life balance. I love that I have a great degree of control and freedom within my job. Another fantastic part about working here is that everyone shares the same vision and is dedicated to the same mission.

I have been with KidsCare for over 5 years now. And, from that very first day, I have always felt valued and heard. I am very lucky to have stumbled into a field where I know I am making a difference in other people's lives, while also working for a company that takes the time and puts in the effort to develop and foster my skills and strengths. I have been able to grow not only professionally but also personally. I feel as though KidsCare has become a second home.
