## FROM CORTNEY:

*Happy 2021, y'all!*

Despite the events of a pretty wild 2020, overall we had a very successful year. I am so thankful to **YOU** and everyone here at KidsCare who made this possible. Because of our incredible team, we were able to successfully pivot (in 3 days!), and provide healthcare services to children, even through an unprecedented pandemic. Although we started off the year with COVID-19 in full swing, we transitioned to telehealth and remote work for our corporate staff through the help of our amazing Techteam! We couldn't have done it without you!

The fall brought just as much activity as the spring did! We continued our expansion into our 12th KCHH location– Portland! Then, in October, we celebrated our 17 year anniversary as a company and our first full year in Boise! It's been an honor as we've helped 218 kids this past year in Idaho! Also exciting was that KidsCare Home Health was named a Top 130 Workplace in Houston! We are so proud of our Houston team, and strive to be a Top Workplace in all of our locations. Throughout this next year we'll continue to expand, and this growth will bring several new, exciting opportunities! We are so appreciative and grateful with how 2020 went. **Thank YOU!** We look forward to what 2021 will bring! We love y'all!

*Welcome to the Kidscare family!*

Diep is very helpful!! She's is an absolutely amazing person. She helped my son get much better at his physical activities and his talking skills. She helped him even though he is a very hyper person. All in all she is an amazing person!!

Alexandria is amazing! My son is progressing so well. I really appreciate her. We have been having so many inconveniences this month and because of her understanding and determination, I do not stress because I know she will still make her way to come treat him and I'm beyond grateful.
