WEST THERAPISTS OF Q2**

MORE GROWTH, MORE OPPORTUNITIES

Please welcome our new Director of Therapy for the West region, Joe Reitan! Joe has worked as the Clinical Manager and Administrator for KidsCare since opening our ID office and has excelled in all aspects of the CM/Administrator roles.

Joe brings tremendous experience as a Physical Therapist and has an abundance of knowledge from the 75 clinics he has previously worked in. He will be a great asset in overseeing the therapy business in CO, ID and OR. Congratulations Joe on your well deserved promotion!

(West)*

*a word from
Joe:*

I am thankful for the opportunity to advance in a great company. I have felt very supported over the past two years by management and am excited to continue improving the lives of all the kids we work with.

FROM CORTNEY:

Welcome back, y'all!

As our Home Office staff heads back into the office on July 6th for the first time in a **year**, I am reflecting on all of the changes and growth we've experienced this year! Even with a global pandemic, our staff has made so much growth and success possible. There has been so much expansion within KidsCare which lead to further opportunities for our team. Individuals like Joe Reitan, Miriam Mburu, Rachel Vigil, Annette Betancourt, Allison Spink, Erin Carter, and too many others to name have been able to utilize these opportunities and have been promoted to new roles, which has lead to even more open positions for the rest of KidsCare! Congrats to all of you for your hard work!

As we look forward to getting back together, we are excited to announce some of our recent company achievements! KidsCare was recently recognized as a 2021 Top Place to Work in the US! In addition to this award, we have also been recognized as a US Top Place to Work in the Healthcare Industry, for our Communication and for being a Women-Led Place to Work! These achievements wouldn't have been possible without all of you. All of our recent growth has also led to so many new opportunities for growth and leadership. We are also so excited to start gathering with our leaders to help support **YOU** in the best way possible. Thank you all for all that you do! We look forward to the rest of this year! We love y'all!
