YOUR MONTHLY GUIDE TO ALL THINGS KIDSCARE

MORE GROWTH, MORE OPPORTUNITIES

Please welcome our new Full-Time Clinical Manager, Jeff Wilson! Jeff, formerly trained at the Mayo Clinic, has been serving as a Field Clinical Manager in our East Texas region (Tyler) for the past two years. He has continued to help grow the area while also balancing his own caseload. In his new role, Jeff will temporarily oversee Tonya's area, while she is out on maternity leave, and then will continue to expand his own territory upon her return. We are excited for Jeff to move into this role and continue to contribute to the Clinical Manager team. Congratulations, Jeff!

Clinical Manager

*a word from
Jeff:*

I have been working as Field Clinical Manager which has involved splitting my efforts between my own patient caseload and management duties. I am so excited about my promotion to a full-time Clinical Manager role with such a dynamic and expanding company as KidsCare. This change allows me to focus on growing my region and positively impact the lives of a greater number of children!
