Meet our VP of Growth Strategy!

PROMO, PROMO!

Congrats to our new Regional Director of Therapy! The Regional Director of Therapy will manage and travel to designated region(s) based off of organizational needs. This position oversees and directs all business and clinical activities related to the therapy service line. It is also responsible for the development and implementation of annual policy and procedure reviews and goals of each of our areas!

Shannon Hanberry
REGIONAL DIRECTOR OF THERAPY

Erin Carter
DIRECTOR OF CLINICAL
COMPLIANCE

Congrats to our new Director of Clinical Compliance! The Director of Clinical Compliance will respond to, and investigate any potential violations of rules, regulations, policies, procedures, and code of conduct. This position is responsible for developing and implementing action plans to maintain compliance and mitigate regulatory risks! This will allow us to identify areas of risk through monitoring and auditing efforts, and to meet the needs of KCHH nationally, by developing an acquisition model for KCHH clinical staff training and education to meet state and federal requirements.

Congrats on these well-deserved promotions!

Francisco has worked diligently throughout 2020 to ensure the success and growth of KidsCare in the Houston market. Francisco regularly provides customer service and marketing updates for over 150 pediatric-based accounts. He along with his Clinical Manager, Angela, demonstrate the spirit of teamwork by offering support to therapists, fellow co-workers and the pediatric providers within the area. His systematic approach to accomplishing his responsibilities has been instrumental in increasing the census, referrals and admits this year. Francisco embodies the mission of our company and strives to deliver quality work daily, ensuring that our patients get the care they need while being a resource for the medical community. Congratulations, Francisco!

COMMUNITY RELATIONS
COORDINATOR

Ashley Bourgoyne
SPEECH LANGUAGE
PATHOLOGIST

Ashley has made a huge impact since starting with us in 2018. She set a precedent for being a hard worker (seeing 38-40 visits a week) while maintaining a firm work-life balance. She became a Lead Speech Therapist in 2019 and has done a fantastic job by taking a Clinical Fellow, mentoring new hires, and distributing materials to fellow clinicians. Ashley recently took on teaching and mentoring opportunities within our in-house feeding module program starting in the Spring of 2020. She is constantly furthering her own knowledge base in speech therapy and feeding therapy by taking higher level certifications such as the SOS Approach to Feeding and Beckman Oral Motor Protocol. She is also fluent in American Sign Language and partners with community resources for individuals with hearing difficulties. Congratulations, Ashley!

Welcome to the Kidscare family!

GET TO KNOW

CHRIS FRANKLIN
VP OF GROWTH STRATEGY

Meet Chris!

☞☞ I'm originally from St. Louis, MO, however I've lived in Dallas since 2014. My entire career has been in health care. I've worked on the provider side in operations, in management consulting, as well as business development. The last over trip seas I made was India in January of 2020. Since COVID hit upon my return, I haven't been on any "vacations" outside of Texas. ☞☞

What are you looking forward to, the most, at KidsCare?

☞☞ What I'm looking forward to most at KidsCare is being able to make new and meaningful connections with the people that I work with, and to be part of an already successful team that has poised this company for exponential growth trajectory. I'm also looking forward to working collaboratively with everyone to expand the service offering and mission of KidsCare into future service markets. ☞☞

Education

- Saint Louis University
 - B.S. in Biology
 - M.H.A. (Healthcare Administration)

Favorites

- Working out
- Golf
- Spending time with friends

Why KidsCare?

☞☞ What impressed me most about KidsCare is the commitment to improve the lives of the pediatric patients in the populations served through early care interventions. The organization operates in a somewhat niche market that has the opportunity to make a dramatic impact on the timeliness and spectrum of services offered to pediatric patients. ☞☞

Welcome to KidsCare, Chris!

Jocelyn is wonderful, hardworking and very friendly and works according to the kids needs. My daughter loves to work with her and she always waits for her sessions.

Working with **Kate** is an absolute pleasure! I cannot say enough kind words about her. She not only got to know my son, but also myself, his father and even his siblings. She really took the time to understand him. Thank you **Kate** for everything!
