Speech Language Pathologist

Elyse Dolde
Occupational Therapist

Spencer Calhoun
Physical Therapist

*Congrats on your
achievement!*

FROM CORTNEY:

Happy New Year, KidsCare!

What a year! From 2021 starting with all office staff working-from-home, to ending the year with our home office staff fully back in the office, this year was full of some major twists and turns. But gratefully, KidsCare weathered the storm fairly well, although it was definitely a rollercoaster. However, despite the ups and downs, we experienced significant growth, and we continue to expand into new office locations to better service the communities we're in.

Looking back, one of our highlights of 2021 was being named a Top Place to Work in Houston! Great job KidsCare Houston team! And amazingly, KidsCare ranked 44th, out of 55,000 companies! This was only possible because of individuals like YOU, who continue to make KidsCare a wonderful place to work!

As we move into 2022, we look forward to our new expansions into Florida, Maryland, Virginia, and South Carolina! Which really means there's so much opportunity for career growth internally within KidsCare! So stay tuned for those announcements, if that's something you're potentially interested in. As this new year progresses, we can't wait to see how we'll continue to expand and grow as a company. And I can't wait to share those with you as they come up. With all that being said, I want to thank you from the bottom of mine and Jason's hearts for such a wonderful 2021! We pray you and yours have a fabulous 2022.
