CONGRATS

admin employee of quarter 4

Not long after Seok completed his education at UTD with a Bachelor's in Information Technology and Systems, he joined the IT team at KidsCare in November of 2020 as an IT Coordinator I.

Over the past year, I have had the privilege to watch him grow as not just an IT professional, but also as an individual. He has always shown his willingness to help his others, and how he strives to continuously improve himself every day. In just a little over a year, he was promoted to IT Coordinator II for his "willingness to assist" attitude.

Reliability is hard to come by. Thank you for being someone we can always count on! I'm so grateful for all your hard work. The entire team thanks you for everything you do! Congrats on your achievement.
