YOUR MONTHLY GUIDE TO ALL THINGS KIDSCARE

WHAT'S IN THIS ISSUE?

THERAPISTS OF THE
QUARTER - WEST EDITION

KAREN'S CORNER

*"I just received my company car...how do I maintain it
and what do I do in the event of an accident?"*

First things first:

DOWNLOAD THE ENTERPRISE FLEET APP FOR INFO...

- STARTING A CLAIM
- VIRTUAL MAINTENANCE CARDS
- OTHER RESOURCES

When you first receive your car, you will also receive an email from Enterprise with a link for you to log into the Fleet Website. Once you create your password and login you are able to download the APP.

Accidents –

1. Notify Enterprise (via the EFLEETS APP, or through the enterprise fleet number (800) 325-8838) to start a claim.
2. Notify HR and fill out an Incident Report.

Maintenance – Every driver is responsible for maintaining their assigned fleet car. You can request a virtual maintenance card through the FLEET APP as noted above.

Fuel – Every car comes with a fuel card. Each driver can use the card by entering their PIN code (last 4 digits of SSN) and mileage.

- Finding Gas Stations: To find a station that will accept the fuel card, log into the Fleet App, select service locator, and then select fuel. This will provide all the gas stations in the driver's current location that accepts the fuel card.
- Lost or Stolen Card: Notify HR immediately.

KAREN MOORE

V.P. Human Resources

HR receives
multiple requests
in a day
concerning
maintenance,
accident
procedures, etc.

We recommend
printing a copy of
this information
and keeping it in
the glove box of
your car along
with a copy of your
current auto
insurance card.
